Your child becomes legally entitled to receive the FEEE for up to 15 hours of childcare a week, from the term after their third birthday - and whilst in the Nursery.

For clarity, the relevant dates / terms are set out below:

At the Nursery at Oxford House School, in addition to our excellent childcare package, our core offer includes a range of additional activities for which fees are charged.

The children very much enjoy these additional activities which form an important and informative part of your child's time with us – and of your decision to place your child with us. They also prepare the children well for their progress on to Reception and beyond at the school.

The additional services include the following:

- Lunch is provided for all children who attend full days
- Individually tailored phonics and numeracy teaching programmes
- Qualified teachers in the Nursery
- In addition to our daily timetable, a regular timetable of enhanced educational activities as follows:
 - Educational visitors into school (ambulance, dentists, police etc)
 - Yoga and Dance taught by specialist teachers
 - PE with our specialist PE teacher
 - Music and singing with our specialist music teacher
 - Our nursery children take part in our school annual production

Parents/carers who wish their child to enjoy the additional activities are exercising their choice to pay for these services rather than enrolling their child in a setting which does not provide them.

Additional Information for Parents/Carers about the FEEE

Under the FEEE scheme, you are entitled to request Essex County Council to assist you with funding for up to a maximum of 15 hours of childcare per week over 38 weeks with a registered provider. Please be aware that Oxford House School does not open for the full 38 weeks and therefore you will not be able to receive your full entitlement here. We are open for **34 weeks** a year.

Further information about the FEEE scheme can be obtained from Essex County Council's website at www.essex.gov.uk/earlyyearsandchildcare or by calling 0800 055 6874.

In order to claim the FEEE, once you have been offered and have accepted a place at Oxford House School we will send a Parent / Carer Agreement to you which you will need to complete and return to the School. The Agreement asks you to set out how you wish to take up the FEEE and it enables Oxford House School to claim funding from ECC as a contribution towards the cost of the hours which you take up at our setting. If you do not complete and return it, we are unable to claim the funding from ECC.

If your child is joining us part of the way through a term, you may not be entitled to any FEEE for that term. Please ask for more information.
